For Such A Time As This

Issue 68

June 2010

June Appeal 21st - 25th

Can you believe it's tax time again! This last 12 months has gone so quickly - they say time flies as you get older!

Things have been tight over the last 12 months for all of us. Here at Life FM we've been monitoring month to month as funds have gone very low a number of times - but praise God - we are still here!

We currently have enough in the coffers to stay on air till September.

Our operating costs are significant because we are on Mt Tassie. That is where we are licensed to be (part of the Government's placement of this particular frequency in the Licence Area Plan).

Our other main expense is salaries. Although we only have 4 paid part-time positions – this core is enough to make sure we stay on air with the quality you have come to expect. Volunteers come and go but the jobs remain the same and need to be done so we need a stable core to ensure that happens.

Please consider how you can help to keep this vital ministry alive!

Deb

*He will give you all you need from day to day if you make
the Kingdom of God your primary concern* Luke 12:31

When the Going Gets Tough.....

Thanks to the 91 people who attended our Special Meeting last month. This was a great time of sharing testimonies and praying about the future of the station.

There were many ideas and suggestions for fundraising and moving the station forward - all relying on people power to get things moving.

Praise God - we have had some results!

We updated (to the best of our knowledge) our church database and sent letters to 165 churches - explaining our financial and volunteer status. We offered some practical ways to involve the churches and we realise that we need to take a more personal approach....

So then we organised...a meeting to call together all those who have an interest in becoming a Life Rep in their church. We now have 38 people interested and 5 forms returned with kits delivered. More info on this project on page 5. Policies and procedures are being formulated as we develop the communications protocols. Lucy Elms (Churchill) is assisting with this as is Johanna Haasjes (Leongatha).

Kath Ipsen and I will be contacting churches in the near future as we aim to get around as many churches as possible.

Praise God and pray for our team as we move forward - fundraising next!

Prayer and Praise

Praise God for His Continued Blessings
 - for a productive and encouraging special meeting and the activities since and a renewed enthusiasm for the ministry.

Pray for the Board

Please continue to pray for wisdom and guidance for the Board as we approach new challenges for funding Life FM.

Praise God for the Feedback

We love to hear your stories so please pass

them on so we can share.

Prayer for Staff

Please pray cover for the team as they are in the "frontline" - for the health of themselves and their families.

Also please pray for God to touch the hearts of the people He would have work at the station as we seek new people to assist in this ministry - both at the station and on the Board

Prayer for Ears to Hear

Work Experience

From time to time we have had Media students from Monash Uni spend time with us doing work experience. Last month we were joined by Liarna La Porta who is in her final year of a Bachelor of Journalism. We received this note from Liarna ...

I wanted to be a journalist since I was 15. The best part of working at Life FM was getting to know the lovely staff and volunteers!!

It was also great learning about how it all comes together behind the scenes and very touching to see how much support not only community radio receives but also Christian radio.

I now wish to apply for part time positions at radio stations around Melbourne as I think radio is the best media. it's timeless and reaches all demographics while being laid back and fun at the same time!! Thanks again for the opportunity!

If you know someone doing Media studies this is an excellent opportunity to gain “hands-on” experience in radio and who knows maybe a job!

Call Deb for more info about working at Life FM - 5143 0355

Sarah Possart (who started with us on Work Experience from Monash) has moved on to go overseas... The team gathered for a farewell lunch - LtoR Sarah, Robyn, Yvonne and Randell - Deb taking photo!
