

It's Tax Time!

In the Sermon on the Mount as recorded in Luke 6:38, Jesus tells us *“Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you.”*

Well the taxman is not as generous as God but at this time of year it's a reminder that when we give to a worthy cause (at least that the Government deems worthy enough to grant tax deductibility status!), that we can even “get some back”.

It's been a great blessing for Life FM to gain tax deductibility status because not only does it mean we are “worthy” in the eyes of the land BUT it means as we give towards the work of the station, sowing seeds into the harvest of LIFE, we re-gain not only some of what we've given financially, but we also reap the eternal rewards and the satisfaction of knowing that our dollars maybe helping someone else to get in touch with Jesus through the vital ministry of Life FM.

I'm constantly amazed at the number of businesses who are playing Life FM in their stores and the number of people who don't attend church who are listening! Praise God that the Holy Spirit can use all these opportunities to touch hearts that we could NEVER reach without the intimate understanding that only HE has!

As we creep financially ever closer to having the funds for a microwave link and studio equipment (we've nearly halfway - thanks to another grant just received from the Community Broadcast Fund!), I urge you to prayerfully consider donating to Life FM to push this ministry forward. We're into our third year on air and we need to be able to budget to pay our full time staff. Your donation before June 30th will greatly assist and your regular donations help us to plan ahead. All donations over \$2.00 are tax deductible!

We've set a target to raise \$40,000 by 5pm Friday 30th June 2006 - can you help us meet that target?

Our catch phrase is “a better Life for Gippsland” - it is the focus of all that we do to bring the message of the hope of Jesus into the hearts of those who listen to Life FM - YOU are an integral part in this listener supported ministry!

Your tax deductible donation will help us achieve our goal of \$40,000 - please prayerfully fill in the form below and return to Life FM PO Box 1378 Sale 3853.

You can pay by cheque, credit card or arrange with your bank to Direct Credit to Life FM's account. Please make sure you put your name as the reference.

Fantastic Fundraiser

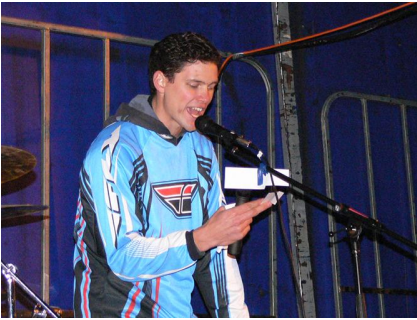

CROSSING THE GAP - raised \$2535

The Gippsland based Christian Freestyle Motocross **Crossing the Gap** group held a fundraiser for Life FM on Sat 3rd June. This event was for the "young at heart" and the evening included a FREE BBQ, live bands, a spectacular fireworks display which was generously donated by Fitzpatrick's Fireworks and high flying motocross stunts.

The Crossing the Gap events are held every few months and are usually all free BUT this time the CTG team decided to charge a \$10 gate fee and give all the proceeds to Life FM!! Thanks also to the team of youth from Sale who came to assist on the gate and with parking. There seemed to be so many cars!

The cars to watch though, were the beat up bombs in the Pig Pen Arena. We arrived around 5:00pm and it was just getting dark. There was a heavy dew on the ground but there was already a huge crowd gathered and the air was alive with the sound of live music on the truck stage. There was the lovely smell of sizzling sausages in the air and I was very pleased to see drum fires lit along the viewing perimeter. There was also the makings of a large bonfire for later. This was much appreciated when the temperature got down to around 3 degrees by around 7pm!

CTG MC - Jeremy Aitken

The action started with the guys on the bikes doing amazing aerial stunts. MC Jeremy Aitken was diligent in keeping the crowd behind the barrier and call the "moves". He said that no stunt was ever performed unless it had been rigorously practiced - and that was evident with only a couple of spills from which all walked away without visible limping!

Then they brought out the "farm bombs" - every young persons dream to drive a "bomb" around a paddock and over jumps. One got stuck on a jump and another caught fire - but the crowd loved it and the CTG guys hammed it up!

There was an intermission and we heard a gospel skit and some more live music - also the chance to indulge in a free sausage! Then more motocross and car racing - all interspersed with fabulous fireworks. The grand finale was a spectacular display (one of the best I've ever seen!) All in all - a fabulous event - keep your eye out for the next CTG event and please support these guys and this exciting ministry. It was so good to see and hear young people talking openly and with excitement about Jesus! Well done and thank you!
