No Life FM for Easter! ?

Even though the fig trees have no blossoms and there are no grapes on the vines; even though the olive crop fails, and the fields lie empty and barren; even though the flocks die in the fields, and the cattle barns are empty, yet I will rejoice in the Lord! I will be joyful in the God of my salvation! Habakkuk 3:17,18

Once again we write to you as we face the very real possibility that Life FM will be off air before Easter.

The Board will be meeting again on Mon 4th April to decide the next step - so our challenge is to raise \$60,000 by then!

Consider what it would be like to lose this ministry. So many have been touched by the music and programs broadcast over the last seven years. In February 2009 we were off air during the fires—here's some of the feedback we received....

Lucknow God bless you all , hope you are back on air soon Keep up the good work.

Moe Hope you are back on air soon

Belgrave God bless you all in Jesus name and He is Lord. Many 'fire' in scriptures. God wins

Sale I pray that Life FM will be up and running very soon as we miss listening to it.

Rosedale Well done to all the team. I've been missing you Just saying how good it is to have you back on air.

Traralgon Great to hear the signal back on the radio. Blessings

Lillico It's so good to have you back on the airways again - we missed you. I'm enjoying being back on the internet too - now I can keep in touch more. We are praying for all of you guys down that way who were affected by fire, and of course the Station is always in our prayers. Love to Everyone

Traralgon I became a member of LifeFM last year. Thank you for your recent emails when the bush-fires were such a threat. Great communication work. It was sad that LifeFM was down for so long after that. I pray that everyone bounces back - to God - so that lots of positive things come out of this. All the best

Cape Paterson Keep it up, you're doing a great job

Leongatha The station has been playing some very appropriate songs with words that reflect community feeling after the bush-fires and all the other confusing / suffering / insecurities / questions etc.

Warragul We felt "lost" without Life while you were off air during the fires and were really glad when you came back on.

Please don't let this ministry fade away -
turn the page to see how you can help.

Deadline 4th April

We come to you at this time - our "dry" period between Christmas and Easterbut our "drought" has been a bit longer this past year. The Oct 10 Appeal raised \$5263.90 well short of the much needed \$29,000 target.

We urgently need \$60,000 - can you help?

It currently costs around \$20,000 per month or \$650 per day to keep Life FM on air. We didn't reach our targets last year so this year we have been struggling from month to month once again - BUT God has been faithful and we are still here!!! Things are not impossible - together we can make an impact.

Thank you so much to everyone who has already donated and partnered with Life FM.

Your donations and support mean so much to us personally, ensuring the future growth of our 24/7 ministry as we continue to broadcast a message of hope across Gippsland.

We need you help to balance our budget and only God knows our future needs.

If you have not yet donated I would like to invite you, as God leads, to step out in faith and partner with us in this vital ministry.

Will you be part of the miracle this year?

Donate online (lifefm.com.au) or call the office with your credit card details 5143 0355.

Please, please, please don't let this challenge be answered by someone else. If you think Life FM has anything to offer the community then we urge you to act now, before it's too late.
